4 Mounting TabTilt* on pole

* TabTilt and TabTilt Portrait/Landscape are mounted the same way. Only TabTilt is shown.

5 Mounting on TabTilt Portrait/Landscape

⚠ For TiltTab Portrait/Landscape use only the 4 screws and washers provided.

⚠ To lock Portrait/Landscape function, replace 2 bottom screws with the 2 x M3/8mm screws. Must align the bottom 2 holes!

6 Mounting on TabTilt

⚠ Fixings **not** included with TabTilt. See Parts List.
