

Freestanding peripheral plate (for two poles) for Samsung 24" Kiosk

The Freestanding peripheral plate (for one pole) allows for additional peripherals to be combined with the Samsung 24" kiosk. This allows for combining the kiosk with one pole with a peripheral mount, where, for example, an external payment devices can be added. The Freestanding peripheral plate sits underneath the Samsung kiosk and allows for neat cable management.

Features:

- Match the kiosk with payment solutions from all the mayor payment brands
- The accessory mounting solutions enables endless payment options
- 5-year warranty

Specifications
