

# mCase Duo™ for Otterbox uniVERSE

## Smartphone solutions

### Turn your smartphone into an mPOS solution

mCase Duo for OtterBox uniVERSE is a mounting solution that enables a payment terminal to be connected via the mCase Duo to your smartphone uniVERSE case to create a versatile cost effective and simple to use mobile point of sale (mPOS).

### Compatibility

- uniVERSE case systems for a variety of Apple and Samsung smartphone devices.
- mCase for a variety of payment devices from all leading manufacturers.

### Benefits

- Creates a simple, cost effective mPOS solution
- Easily integrate integrate a range of payment devices with smartphones and tablets
- Delivers great customer service and no more queues – serve customers where most convenient for them
- Rotating or fixed payment mount attachment designed specifically for uniVERSE smartphone cases
- Existing SpacePole customers can maximize investment by utilizing existing poles, mounts and mCases
- Allows camera access on all devices for a range of business uses (Rotation only)
