

SpacePole Self-Service Kiosk™

Hardware agnostic, Modular, Configurable, Customisable

A multifunctional kiosk with maximum flexibility for a wide range of self-service applications

The SpacePole Kiosk provides a configurable platform for self-service applications in the grocery, retail, hospitality, entertainment, and transportation sectors. Ideal for hospitality check-in/check-out, self-ordering, endless aisle, product display & advertising, ticketing, click & collect, and many more.

Compatibility

The kiosk is compatible with screens and tablets from 10" to 32", payment devices from 20+ different payment vendors and a wide range of printer and scanner brands as well as security, audio and navigation devices.

Features

- **Modular:** Floor, counter, and wall options can be built from the same products
- **Configurable:** Build the kiosk to suit your application. Add payments, scanning, printing, customer recognition cameras, NFC, and fingerprint readers as required, along with any tablet or VESA compatible display from 10"- 32"
- **Customisable:** A bespoke kiosk can be built for your exact requirements, with design modifications, change of colour, and specific hardware combinations
- **Robust Design:** The kiosk is intended for unattended self-service use in a range of high traffic environments

Benefits

- **One look:** Your configuration can be free standing, counter, or wall mounted providing one standard platform across your self-service offering
- **Maximise ROI:** The kiosk allows for reuse of existing hardware, easy upgrades, and changes to the application. It supports most payment devices, printers, and a range of peripherals
- **Adaptable:** To potential self-service scenarios across multiple business applications
- **Peace of Mind:** The SpacePole Kiosk provides a strong, secure and stand-alone solution

Antimicrobial powder paint coating is standard for all metal products in black (02) for effective long-term protection from germs and bacteria. Metal products are also available in white, light grey and other colours.
